Subject: Art behind Chase Bank at Ave 57

Message: Hi there,

Within the last several months I've noticed the beautiful art in the parking lot behind Chase Bank at Figueroa and Ave 57 erased. I find this extremely unfortunate as those pieces represented the voices of community members and were quintessentially Highland Park. Where there was once a unique and vibrant painting, there is now a boring white wall. Please invite the artists back so that Highland Park can look like our neighborhood again.
